1 Hunting & Namibia

Here we offer unique, never to forget hunting experiences on our private farm, Freiheit-West, situated in the famous Kalahari of Namibia. Hunting is also conducted on more farms and covers an area of 60 000 hectares (148 263 acres) on which all plains game can be hunted. The farm is only an hour's drive from the international Hosea Kutako Airport and less than two hour's drive from the capital city Windhoek.

Exceptional Hunting

In the Jewel of Africa

Easy, safe and affordable hunting destination for a great plains game hunting safari as well as big five hunting safari. Namibia has become a favorite amongst first time hunters, family groups of hunters as well as long time African hunting veterans who appreciate the benefits of hunting in Namibia.

Who Are We?

We want to redefine the Hunting Experience

The foundation of ASSN (African Soul Safaris Namibia) is based on trust, integrity, sustainability, ethical hunting and transparency. We aim to provide an experience which outlives physical time, but rather interconnects with our clients' souls. We are soulful. We are African. We are Namibian. We are African Soul Safaris Namibia.

Owner, Outfitter and Private Hunter Claude Bouwer will be your guide. With his untamed love for the challenge of the hunt and his desire to share an unforgettable quality hunting experience with you, ensures you will have an unforgettable experience!
